SIMONCXZ BOROSINO

COMPANY PROFILE

BOROSINO is a professional party items manufacturer and only focuses on Balloon & Party accessories since 2009. After 5 years growing up, we promoted our new brand **LAGENDA**. Which is mainly for the professional balloon inflator, "To be the best balloon inflator" is our goal, we work very hard and keep improving every year.

Products: Our main products are Balloon accessories including Balloon pumps, Electric Balloon inflators, Stick & Cups, Double Action Hand Pumps, Bubble Machine, Balloon Weight, Heat Sealers, Balloon Stuffing Machine, Fog Machine, other balloon accessories and party accessories. And also we provide professional OEM & ODM service for Balloon and Party items.

Quality: Our products are exported worldwide more than 50 countries and have established a strict quality management system ISO9001 conducted in material incoming, processing, assembly, testing, packing and delivery. All our products are RoHS compliant & EN71, CE certificate to satisfy nowadays EU environmental regulations; moreover, we are carrying out UL & CUL approvals in order to fulfill latest worldwide requirement.

BOROSINO is committed to quality product innovation. There's a saying at BOROSINO; we're only as good as our goods. It's this thinking that motivates us in our quest to stay ahead of the competition. We are dedicated to listening carefully to our customers. We're constantly thinking about new concepts. Our designers are experts in innovation, offering insight into what's possible in terms of production, material, and techniques both now and in the future. So we are able to cater to your needs in the most cost-efficient manner, and with the highest quality standards.

As we progress, keep an eye on our ever-expanding product range and improvements to our services. We sincerely welcome all guests to set up business relationship on the basis of mutual benefit with us.

Contact us now, you will get the professional reply within 8 hours.
